Converts any S-Video port into RCA composite video port (or vice-versa). It allows you to connect any composite video devices such camcorder, VHS VCR, DVD, satellite receiver, computer, switches or projection TV with RCA port to an S-Video port. This premium adaptor cable provides low-loss for high performance connections and has gold plated connectors and double shielding to protect against radio frequency and electromagnetic interference. This adapter uses two 75ohm coaxials, PVC jacket, molded ends and inner hood soldered 360 degrees to the connector for complete end to end shielding. (Connectors: Mini4 Male to RCA Female)
