Certified genuine Apple (TM) product using the Apple(TM) 3959 chipset to ensure compatibility with todays and tomorrows Apple products, and any current and future iOS upgrade. Connect this adapter to your iPad or iPhones LIGHTNING port to provide left/right stereo audio ONLY out via the 3.5mm female port. This adapter lets you connect devices that use a 3.5 mm audio plug to your Lightning devices. Works with all devices that have a Lightning connector and support iOS 10 or later, including iPod touch, iPad, and iPhone. Adapter does NOT support microphone use
