This cable connects any computer with a 6pin port to any Firewire device with a 4pin port such as digital video camcorders. This premium cable is IEEE1394 compliant and tested to support 400Mbps. It is ideal for mobile users and reduces cable clutter. (Connectors: 6Pin Male to 4Pin Male; Length: 10ft; Color: Black).

*NOTICE: This legacy cable MAY not be shipped in the BLACK COLOR as advertised, but instead in a clear-PVC type insulation. The specifications of the cable are identical, however*
